Foreword

This is just a glimpse, a brief look at MHS from September 1969 to June 1970. The staff proudly presents the 1970 Mohisco with the hope that each student will find upon its pages, woven through the record of the events of the past year, a glimpse at some of the ideals and traditions of our school. May it keep alive within us the spirit of all true Rebels. May it cause us to remember all our days at Monroe High. May it remind us of the many things that happened during this past year, of the fads that rose and fell.

For the most part it was a happy year. But look closely. This was a very important year, a year which was perhaps our first, second, or last. Turn through these pages slowly, for soon you may no longer be at Monroe High School. These pages are the history of 1969-1970.

February 24, 1940 – January 31, 1970

To the black students he served as a goal, to show what they could be. To the white students he served as a guide, to show what they should be. To all students he served as an example, to show what they would like to be.

Dedication

The highest honor that the Senior Class can bestow upon a person is the dedication of its "MOHISCO". This year our dedication goes to a person who has meant much to all of the students of Monroe High School through his leadership and service. He has been an active sponsor of Student Council and I.C.T.

We the Senior Class of 1970 dedicate this our "MOHISCO" to you . . .

German Exchange Student

Heidi Griesshammer

This year's foreign exchange student is Heidi Griesshammer from Lindenburg, Germany. She lives with the John C. Watson, Jr., family on Robin Drive. Her warm personality and bright sense of humor have made her a valuable member of both her home and her school. She has also given our students an important lesson in international understanding. When Heidi returns to Germany, we hope that she will take with her many memories of her American friends.

To The Senior Class of 1971:

The present seniors of Monroe High School have had a wonderful four years. We have laid our blue prints for our futures during these four years at Mohisco! Remembering our strolls down the aisles and our football games will always bring wonderful memories to our minds. All of these things will have helped us to set our own goals for our great future.

We just hope that your senior year at M.H.S. will be as rewarding as ours has been!

Our Alma Mater

We'll walk the halls of this, our school,
Our heads we'll hold up high;
The memories we have . . .
will never die.
Our inspiration be from knowing
one like thee;
So here's to thee, oh, Monroe High,
we pledge our loyalty.
Oh, sing her praises loud and strong,
let all our voices peal;
Oh chant her praises from . . .
the highest hill.
Oh, Alma Mater we, to thee
will ere be true,
A prayer for thee, oh, Monroe High,
may God bless and keep you.

"Look not mournfully to the past—
it comes not back again;
Go forth to meet the shadowy
future without fear, and
with a courageous heart."
Henry Wadsworth Longfellow
